We are looking for parents and community members for the 2020-21 year to join the School Advisory Council.

- The council meets six times throughout the school year.
- Meetings will be held via Microsoft Teams **8:30-9:30 a.m.** until we are able to gather at the school for in person meetings.

- Our Bylaws indicate that members may not miss more than 3 meetings during the year.
- The primary responsibilities of the SAC include providing input for and monitoring the annual School Improvement Plan, Parent Involvement Activities, providing input on school topics, and assisting in decisions regarding funding.
- State guidelines for School Advisory Councils require schools to ensure the SAC is representative of the racial and ethnic student population. Eligible SAC members can be parents, grandparents, other family members, or community representatives.
